This is for those who count the time spent travelling as part of the fun. For those in search of a rare balance of versatility, performance and comfort. For those who require a crossover that’s as equally prepared for the everyday excursions as it is for those they write home about. It’s for those looking for the ultimate combination of form and function. For these people, Dodge built the 2016 Journey, offering either all-wheel-drive (AWD) or front-wheel-drive (FWD) capability. Choose between impressive I-4 or V6 engines and spacious five- or seven-passenger seating. No wonder Journey is the most versatile crossover in its class.

*A note about this brochure: all disclaimers and disclosures can be found on the back cover.*
FORGED FOR: ADVENTURE EVERY DAY
JOURNEY CROSSROAD

It’s time for your next adventure. With a bold, rugged exterior, a refined interior and available all-wheel-drive (AWD) capability, Journey Crossroad is game for anything. Boasting an exterior design furnished with Platinum Chrome-accented side roof rails, lower bodyside moldings, and front and rear fascias, Journey Crossroad stands apart from the competition. Gloss Black fog lamp surrounds, a Gloss Black grille, black-accented headlamps and unique 19-inch Hyper Black aluminum wheels complete its exterior image. Retreat inside for a refined atmosphere of soft-touch surfaces, rich seating materials and Liquid Graphite accents. Built to escape the ordinary, Journey Crossroad is ready to help you discover new horizons.

Journey Blacktop is set apart by a bold, distinctive look, straight from the factory. Exterior accents include 19-inch Gloss Black aluminum wheels, Gloss Black front grille, lower front fascia accents and exterior mirrors, as well as black headlamp accents. Inside, you’ll find a tech-savvy interior that includes the Radio 8.4 multimedia centre with an 8.4-inch touchscreen and SiriusXM satellite radio.

Journey Crossroad is shown with black leather-faced seats and SRT port mesh inserts.

ALL-WHEEL-DRIVE (AWD) CAPABILITY. Journey's confident stride comes from its advanced automotive engine technology and the surefootedness of available AWD for safe and steady handling in all weather conditions. When the system senses wheel slippage, it immediately responds with a transfer of power to the rear wheels for improved driving performance. Without having to choose between performance and efficiency, Journey makes the most out of your travels regardless of the weather.
ANY WAY YOU WANT IT

WHEN YOU JUST CAN'T LEAVE HOME WITHOUT IT. Two class-exclusive second-row in-floor storage bins with removable, washable liners each hold up to a dozen 355-mL cans, plus ice. Latching lids also make these bins the perfect place for storing valuable travel items. The seat cushions of the available Flip 'n Stow® fold-flat, front-passenger seat flip forward to reveal a bin ideal for concealing personal items. The front door map pockets, centre console and glove box also create excellent spots for storage. Properly secure all cargo.

BEST-IN-CLASS® STORAGE SYSTEMS

1. Flip 'n Stow®
2. Centre console storage
3. Dual in-floor storage bins
4. Cargo area storage
5. Spacious glove box

When you just can’t leave home without it.
3.6-LITRE PENTASTAR™ V6 //
283 horsepower, 260 lb-ft of torque and Variable Valve Timing (VVT) serve up an exceptional blend of high torque and impressive fuel economy (as efficient as 9.4 L/100 km highway*).

POWER THAT MOVES YOU.

2.4-LITRE I-4 WITH DOHC VVT //
This smart, highly capable 173-horsepower DOHC I-4 engine features a strong balance of power and fuel economy (as efficient as 9.1 L/100 km highway*), which lets you travel approximately 850 highway kilometres on one tank of gas.

AS EFFICIENT AS: 9.1 L/100 KM HWY*

*See page 20 for full details.
As part of the bloodline that created Dodge Grand Caravan, Journey borrowed a few tricks to create the most versatile crossover in its class. With flexible seating available in five- or seven-passenger configurations and a myriad of storage solutions, this interior can quickly transform from people mover to cargo hauler without fuss. The standard 60/40 split-folding and reclining second-row seating offers spacious, flexible comfort. Carrying younger passengers is a breeze with the available class-exclusive integrated child booster seats, and they’re also easily entertained with the available rear-seat video system. The passengers will have easy access to their available 50/50 split-folding third-row seats, thanks to rear doors that open 90 degrees and the Tilt ‘n Slide® second-row seats.
Welcome convenience begins with must-have features like steering wheel-mounted cruise and audio controls, illuminated cup holders as well as available heated front seats and steering wheel. Refinement comes from well-tailored touchpoints and premium soft-touch materials.

Uconnect® multimedia centres offer the largest touchscreen in its class—up to 8.4 inches. The intuitive, customizable systems feature icons for audio controls, personal devices like an iPod® or smartphone, climate controls and available navigation. Bring your tunes via remote USB port or available Bluetooth® streaming audio. The USB port can also charge your compatible devices. Available hands-free calling can be operated through steering wheel-mounted controls or the touchscreen. After touching the voice command button, your voice can manage your phone, messaging, radio stations and much more. It’s just that simple.

Make every ride more enjoyable with the available SiriusXM satellite radio when combined with a navigational subsystem for access to over 120 channels. Enjoy instant replay of your favorite tunes and get alerts when your favorite song, artist or team is playing on any SiriusXM channel. Opt for the premium six-speaker Alpine® sound system with subwoofer and 368-watt amplifier for your optimal audio enjoyment, while the 115-volt power outlet allows passengers to plug in portable game systems or audio devices.

LARGEST TOUCHSCREEN IN ITS CLASS

Because Dodge knows it’s the littlest things that matter most, our engineers have built every Journey with a high degree of advanced automotive technology. That’s why there are more than 50 standard and available safety and security features travelling along with you to make every ride more secure.

PARK-SENSE® REAR PARK ASSIST 11
- When the vehicle is in Reverse, the sensors can detect the presence of objects within 1.9 metres of the vehicle in the back-up pathway and provide an audible and visual warning to notify the driver.

TRAILER SWAY CONTROL (TSC) 10
- TSC uses the ESC sensors to recognize sway unique to trailering. It applies brake pressure on alternating wheels and may adjust the throttle to help eliminate sway and maintain stability.

TIRE PRESSURE MONITORING SYSTEM
- A warning system in the instrument cluster alerts the driver to any tire with low pressure, with displays for each tire’s pressure in the Electronic Vehicle Information Centre.

SENTRY KEY® ANTITHEFT ENGINE IMMOBILIZER
- Prevents vehicle operation when the encoded key is not present by disabling the engine. Operation is automatic, regardless of whether the vehicle is locked or unlocked.

ACTIVE FRONT HEAD RESTRAINTS 12
- The active front head restraints automatically move forward and upward in the event of a rear-end collision to decrease the space between the head restraint and the occupant’s head, helping provide added neck protection for both the driver and front passenger.

ENHANCED ACCIDENT RESPONSE SYSTEM
- This system makes it easier for emergency personnel to see and reach occupants in the event of an accident by turning on interior lighting, flashing hazard lamps and unlocking doors after air bag deployment. It also shuts off the flow of fuel to the engine.

ELECTRONIC STABILITY CONTROL (ESC) 10
- When road conditions are not at their best, ESC helps the driver maintain vehicle directional stability and limits oversteer or understeer. ESC includes All-Speed Traction Control, Brake Assist, Electronic Roll Mitigation and Trailer Sway Control (TSC).

ANTILOCK BRAKE SYSTEM (ABS)
- Four-wheel anti-lock brakes help prevent wheel locking, offering improved steering control under extreme braking conditions.

PRESSURE® REAR BACK-UP CAMERA 11
- Displays are automatic visual conveniences of a road behind your vehicle when it is in Reverse.

PARK-SENSE® REAR PARK ASSIST 11
- When the vehicle is in Reverse, the sensors can detect the presence of objects within 1.9 metres of the vehicle in the back-up pathway and provide an audible and visual warning to notify the driver.

STANDARD AND AVAILABLE SAFETY AND SECURITY FEATURES

Because Dodge knows it’s the littlest things that matter most, our engineers have built every Journey with a high degree of advanced automotive technology. That’s why there are more than 50 standard and available safety and security features travelling along with you to make every ride more secure.
**MODELS**

### CVR

**FUSION**
- 2.0L EcoBoost® (280 hp)

**FUN FEATURES**
- Available twin-outlet rear vents (Fusion SE)
- Available rearview camera (Fusion ST)
- Available hands-free liftgate (Fusion ST)
- Available voice-activated navigation (Fusion ST)
- Available EcoBoost® 2.0L engine (Fusion ST)

**SAFETY & SECURITY**
- Standard 10-way power front seats
- Standard 4-way power lumbar support
- Standard 60/40 split-folding rear seatback
- Standard 50/50 split-folding center armrest
- Standard center console cup holders

**ENHANCEMENTS vs. SXT**
- 3.6L Pentastar VVT V6 with 6-speed automatic (Fusion ST)
- Leather-faced seats
- Leather-wrapped shift knob
- Interior observation mirror
- Dual bright exhaust tips (3.6L)

**OPTIONAL EQUIPMENT**
- Performance front fascia
- Deep-tint sunscreen glass
- 2.4L DOHC 16V Dual Variable Valve Timing (VVT) I-4 with 6-speed automatic
- Driver's height-adjustable seat
- Tire pressure monitoring display
- One-touch down power windows
- One-touch up power sunroof
- Deluxe touring suspension

**POWERTRAIN**
- 2.0L EcoBoost® (280 hp) with 6-speed automatic

### SE PLUS

**FUSION**
- 2.5L Ti-VCT (203 hp)

**FUN FEATURES**
- Available twin-outlet rear vents (SE Plus)
- Available rearview camera (SE Plus)
- Available Ecoboost® 2.0L engine (SE Plus)

**SAFETY & SECURITY**
- Standard 10-way power front seats
- Standard 4-way power lumbar support
- Standard 60/40 split-folding rear seatback
- Standard 50/50 split-folding center armrest
- Standard center console cup holders

**ENHANCEMENTS vs. SXT**
- 3.6L Pentastar VVT V6 with 6-speed automatic (SE Plus)
- Leather-faced seats
- Leather-wrapped shift knob
- Interior observation mirror
- Dual bright exhaust tips (3.6L)

**OPTIONAL EQUIPMENT**
- Performance front fascia
- Deep-tint sunscreen glass
- 2.4L DOHC 16V Dual Variable Valve Timing (VVT) I-4 with 6-speed automatic
- Driver's height-adjustable seat
- Tire pressure monitoring display
- One-touch down power windows
- One-touch up power sunroof
- Deluxe touring suspension

**POWERTRAIN**
- 2.5L Ti-VCT (203 hp) with 6-speed automatic

### SXT

**FUSION**
- 2.5L Ti-VCT (203 hp)

**FUN FEATURES**
- Available twin-outlet rear vents (SXT)
- Available rearview camera (SXT)
- Available Ecoboost® 2.0L engine (SXT)

**SAFETY & SECURITY**
- Standard 10-way power front seats
- Standard 4-way power lumbar support
- Standard 60/40 split-folding rear seatback
- Standard 50/50 split-folding center armrest
- Standard center console cup holders

**ENHANCEMENTS vs. SE**
- 3.6L Pentastar VVT V6 with 6-speed automatic (SXT)
- Leather-faced seats
- Leather-wrapped shift knob
- Interior observation mirror
- Dual bright exhaust tips (3.6L)

**OPTIONAL EQUIPMENT**
- Performance front fascia
- Deep-tint sunscreen glass
- 2.4L DOHC 16V Dual Variable Valve Timing (VVT) I-4 with 6-speed automatic
- Driver's height-adjustable seat
- Tire pressure monitoring display
- One-touch down power windows
- One-touch up power sunroof
- Deluxe touring suspension

**POWERTRAIN**
- 2.5L Ti-VCT (203 hp) with 6-speed automatic

### LIMITED

**FUSION**
- 2.5L Ti-VCT (203 hp)

**FUN FEATURES**
- Available twin-outlet rear vents (Limited)
- Available rearview camera (Limited)
- Available Ecoboost® 2.0L engine (Limited)

**SAFETY & SECURITY**
- Standard 10-way power front seats
- Standard 4-way power lumbar support
- Standard 60/40 split-folding rear seatback
- Standard 50/50 split-folding center armrest
- Standard center console cup holders

**ENHANCEMENTS vs. SE**
- 3.6L Pentastar VVT V6 with 6-speed automatic (Limited)
- Leather-faced seats
- Leather-wrapped shift knob
- Interior observation mirror
- Dual bright exhaust tips (3.6L)

**OPTIONAL EQUIPMENT**
- Performance front fascia
- Deep-tint sunscreen glass
- 2.4L DOHC 16V Dual Variable Valve Timing (VVT) I-4 with 6-speed automatic
- Driver's height-adjustable seat
- Tire pressure monitoring display
- One-touch down power windows
- One-touch up power sunroof
- Deluxe touring suspension

**POWERTRAIN**
- 2.5L Ti-VCT (203 hp) with 6-speed automatic

### CROSSROAD FWD

**FUSION**
- 2.5L Ti-VCT (203 hp)

**FUN FEATURES**
- Available twin-outlet rear vents (Crossroad)
- Available rearview camera (Crossroad)
- Available Ecoboost® 2.0L engine (Crossroad)

**SAFETY & SECURITY**
- Standard 10-way power front seats
- Standard 4-way power lumbar support
- Standard 60/40 split-folding rear seatback
- Standard 50/50 split-folding center armrest
- Standard center console cup holders

**ENHANCEMENTS vs. SXT**
- 3.6L Pentastar VVT V6 with 6-speed automatic (Crossroad)
- Leather-faced seats
- Leather-wrapped shift knob
- Interior observation mirror
- Dual bright exhaust tips (3.6L)

**OPTIONAL EQUIPMENT**
- Performance front fascia
- Deep-tint sunscreen glass
- 2.4L DOHC 16V Dual Variable Valve Timing (VVT) I-4 with 6-speed automatic
- Driver's height-adjustable seat
- Tire pressure monitoring display
- One-touch down power windows
- One-touch up power sunroof
- Deluxe touring suspension

**POWERTRAIN**
- 2.5L Ti-VCT (203 hp) with 6-speed automatic

### R/T

**FUSION**
- 3.7L Ti-VCT (305 hp)

**FUN FEATURES**
- Available twin-outlet rear vents (R/T)
- Available rearview camera (R/T)
- Available Ecoboost® 2.0L engine (R/T)

**SAFETY & SECURITY**
- Standard 10-way power front seats
- Standard 4-way power lumbar support
- Standard 60/40 split-folding rear seatback
- Standard 50/50 split-folding center armrest
- Standard center console cup holders

**ENHANCEMENTS vs. Limited**
- 3.6L Pentastar VVT V6 with 6-speed automatic (R/T)
- Leather-faced seats
- Leather-wrapped shift knob
- Interior observation mirror
- Dual bright exhaust tips (3.6L)

**OPTIONAL EQUIPMENT**
- Performance front fascia
- Deep-tint sunscreen glass
- 2.4L DOHC 16V Dual Variable Valve Timing (VVT) I-4 with 6-speed automatic
- Driver's height-adjustable seat
- Tire pressure monitoring display
- One-touch down power windows
- One-touch up power sunroof
- Deluxe touring suspension

**POWERTRAIN**
- 3.7L Ti-VCT (305 hp) with 6-speed automatic

### CROSSROAD AWD

**FUSION**
- 3.7L Ti-VCT (305 hp)

**FUN FEATURES**
- Available twin-outlet rear vents (Crossroad AWD)
- Available rearview camera (Crossroad AWD)
- Available Ecoboost® 2.0L engine (Crossroad AWD)

**SAFETY & SECURITY**
- Standard 10-way power front seats
- Standard 4-way power lumbar support
- Standard 60/40 split-folding rear seatback
- Standard 50/50 split-folding center armrest
- Standard center console cup holders

**ENHANCEMENTS vs. Limited**
- 3.6L Pentastar VVT V6 with 6-speed automatic (Crossroad AWD)
- Leather-faced seats
- Leather-wrapped shift knob
- Interior observation mirror
- Dual bright exhaust tips (3.6L)

**OPTIONAL EQUIPMENT**
- Performance front fascia
- Deep-tint sunscreen glass
- 2.4L DOHC 16V Dual Variable Valve Timing (VVT) I-4 with 6-speed automatic
- Driver's height-adjustable seat
- Tire pressure monitoring display
- One-touch down power windows
- One-touch up power sunroof
- Deluxe touring suspension

**POWERTRAIN**
- 3.7L Ti-VCT (305 hp) with 6-speed automatic

WARRANTIES: 2016 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with $0 deductible plus 24-hour roadside assistance. SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with $0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres.* Full-throttle coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres. The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with $0 deductible plus 24-hour roadside assistance.†

*Whichever comes first. Some conditions may apply. †The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

MOPAR VEHICLE PROTECTION: FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you’ll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call 800-465-2001.

DISCLAIMERS: 1 Based on IHS Automotive: Polk Canadian Vehicles in Operation data available as of July, 2014 for Crossover Segments as defined by FCA Canada Inc. 2 Based on the latest available competitive information and WardsAuto Medium Cross/Utility segmentation. Excludes other vehicles designed and manufactured by FCA US LLC. Based on availability of 4 and 4X powertrains, front-wheel drive and all-wheel drive, 2- and 4-door, 5- and 7-passenger seating, second-row removable in-floor storage bins, integrated child booster seats, front-passenger-in-seat storage and front fold-flat front passenger seat. 3 Based on the latest available competitive information and WardsAuto Medium Cross/Utility segmentation. Excludes other vehicles designed and manufactured by FCA US LLC. Based on standard and available storage features including second-row removable in-floor storage bins, front-passenger-in-seat storage and forward fold-flat front passenger seat. 4 Driving range based on 2015 EnerGuide highway fuel consumption ratings and fuel tank capacity. Your actual driving range may vary based on powertrains, driving habits and other factors. Use for comparison purposes only. 5 Integrated booster seats are only for children between 120 and 145 centimetres (48 and 57 inches) in height, weighing between 22 and 38 kilograms (48 and 85 pounds). Always fasten seat belts properly. 6 No system can repeal the laws of physics or overcome other conditions that can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. 7 This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 8 Always sit properly with the head restraint properly adjusted. 9 Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 9 Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 10 No system can correct the laws of physics or overcome careless driving actions. Performance is limited by available traction, which will vary with road conditions. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 12 Always sit properly with the head restraint properly adjusted. 13 The advanced front air bag system is certified to the federal regulations for advanced air bags. Children 12 years old and younger should always be backseated in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 14 Not compatible with all garage door openers.
