DODGE DURANGO

# THREE TIMES THE HEAT

- 1/ BEST-IN-CLASS POWER<sup>1\*</sup>**  
360 HORSEPOWER AND 390 LB-FT OF TORQUE
- 2/ BEST-IN-CLASS TOWING<sup>2</sup>**  
3,265 KG (7,200 LB)
- 3/ BEST-IN-CLASS STANDARD FUEL ECONOMY<sup>3</sup>**  
9.6 L/100 KM (29 MPG)\*\*

*Durango offers drivers the best of everything. It starts with spacious seven-passenger seating and a generous amount of storage and cargo room. Impressive confidence comes from best-in-class power<sup>1</sup> and best-in-class towing<sup>2</sup>. The standard all-wheel-drive (AWD) capability is balanced by plush, upscale interior details like an available class-exclusive Blu-ray®/DVD system<sup>4</sup> and an 8.4-inch touchscreen — the largest in its class.<sup>4</sup>*

\*All disclaimers and disclosures can be found on the back cover. \*\*Please see page 21 for details.

R/T shown in Billet Metallic.

**BEST** **-IN-CLASS POWER<sup>1</sup> + TOWING<sup>2</sup>**

## POWER PLAY

**WE GIVE YOU OUR BEST** — Durango combines best-in-class power<sup>1</sup>, best-in-class towing<sup>2</sup> and impressive fuel efficiency making it the ultimate triple threat. Standard all-wheel drive (AWD), Sport Mode and a near 50/50 weight distribution work together to give you a sure-footed ride.

**CANADA'S BEST-SELLING ENGINE<sup>3</sup>: 3.6L PENTASTAR™ V6** — This powerhouse generates up to 295 horsepower and 260 lb-ft of torque with Variable Valve Timing (VVT) helping to maximize power and efficiency. When the vehicle comes to a complete stop, the Engine Start/Stop (ESS) technology shuts the engine off but keeps power flowing to amenities like the radio, gauges and climate control. This not only lowers emissions, but helps to conserve fuel. The engine restarts automatically when the brake is released, allowing for seamless acceleration.

**HEMI® POWER** — The available legendary 5.7-litre HEMI V8 engine delivers best-in-class power<sup>1</sup> with a combined 360 hp and 390 lb-ft of torque. Impressive fuel economy comes from the VVT, the FuelSaver Multi-Displacement System (MDS) and the 8-speed automatic transmission.

**ALL-WHEEL DRIVE (AWD)** — Durango was designed for uncompromising and refined performance, even in the worst conditions. Forge on in confidence thanks to Durango's standard AWD system, enhancing driver confidence by leveraging the SUV's near 50/50 weight distribution. Durango offers two AWD systems — one for the HEMI V8 and one for the Pentastar V6-powered models — each one greatly enhances the vehicle's traction and handling by delivering a smooth driving experience over a wide range of road conditions. On V8 models, AWD includes a low range on the transfer case for extreme situations.

**CLASS-EXCLUSIVE 8-SPEED AUTOMATIC<sup>4</sup>** — The standard 8-speed automatic transmission with Eco Mode provides superior efficiency, quick acceleration and smooth shifting. Performance-inspired steering wheel-mounted paddle shifters allow for a more personalized driving experience.

**SPORT MODE** — Sport Mode changes the steering calibration, pedal calibration and shift pattern, increasing Durango's responsive driving experience.

**3.6L PENTASTAR VVT V6**

UP TO **6,200**-LB TOWING

# GO BOLD OR GO HOME

## TURN HEADS: GT

Durango GT will turn heads as well as it turns corners with premium interior details and distinguished exterior touches. Comfort is found in the heated front and second-row leather-faced seats, a heated leather-wrapped steering wheel, and memory settings for exterior mirrors, driver's seat position and radio. Park-Sense® Rear Park Assist System<sup>5</sup>, ParkView® Rear Back-Up Camera<sup>6</sup> and Remote Start System keep you surrounded in technology that not only offers more convenience, but helps make the drive safer.

The new sporty exterior boasts 20-inch Hyper Black aluminum wheels, Black headlamp bezels and dual bright exhaust tips. A bold body-colour grille surround, wheel lip moulding, sill moulding, and front and rear fascias heighten its brawny appearance.

## LAP IN LUXURY: R/T

The spirit of racing and staunch capability come together in Durango R/T. The exterior of this track-inspired trim level features a sleek, monochromatic appearance with High Intensity Discharge (HID) headlamps surrounded by Black accents. Inside, the details are equally as impressive with a standard 8.4-inch Uconnect® multimedia centre featuring a largest-in-class touchscreen<sup>4</sup>, premium navigation<sup>7</sup>, luxurious leather interior trim, and Nappa leather-faced seats finished with bold contrast stitching and an R/T embroidered logo.

At the heart of Durango R/T performance is the standard 5.7L HEMI® V8 engine. The unique sport-tuned suspension, 20-inch Granite Crystal aluminum wheels wrapped in all-season tires and a 20-mm-lower ride height give it an aggressive jolt.

## DURANGO: CUSTOM-FEEL PACKAGES

There's more than one way to give Durango GT and R/T an even more distinctive look. Kilometre after kilometre, these available appearance packages maximize their stand-apart style.

» **Blacktop Package.** Gloss Black details like 20-inch wheels, exterior badging, mirrors and grille give Durango's muscular SUV stance a polished facade.

» **Brass Monkey Appearance Package.** Durango's signature Dodge crosshair grille packs a bigger punch with this package's Gloss Black finish. The striking 20-inch wheels are coated in an eye-catching Burnished Bronze to complete this bold look.

GT shown in Octane Red Pearl with Brass Monkey Appearance Package.

R/T interior shown in Black with second- and third-row seats folded down.

R/T interior shown with Nappa leather-faced seats in Black.

# 50+ SEATING CONFIGURATIONS

Create the right amount of cargo and passenger space through flexible seating options. Properly secure all cargo.

**LOAD IT** with passengers, pack it with gear. With over 50 seating configurations available, your Durango can easily transition between a passenger powerhouse and a cargo-hauling superstar. Standard seven-passenger seating includes a fold-flat front-passenger seat, 60/40 split-fold-flat second-row reclining bench seat with integrated padded centre armrest and cup holders, as well as 50/50 split-folding third-row seats. Select between cloth or heated leather-faced fold-and-tumble second-row Captain's Chairs with soft-touch armrests and a floor-mounted mini console with cup holders for six-passenger seating.

## CLASS-EXCLUSIVE BLU-RAY® DVD CENTRE<sup>4</sup>

Opt for the Blu-ray/DVD system and entertain rear-seat passengers via two nine-inch seatback-mounted screens. The system keeps the peace between movie buffs and gaming fanatics with rear-seat HDMI/USB ports that let passengers tap into the entertainment system and use each screen independently of each other.

Available entertainment system shown.

Citadel interior shown with Nappa leather-faced seats in Light Frost Beige.

# NEXT-LEVEL LUXURY

PLATINUM

## STYLE THAT RUNS DEEP

Durango Citadel is proof that power and beauty can go hand-in-hand. The Citadel interior is filled with impressive features like nine amplified speakers with subwoofer, a 506-watt amplifier, and Uconnect® multimedia centre with a largest-in-class 8.4-inch touchscreen! Nappa leather-faced seats, a floor console with leather armrest, and power sunroof add even more refinement.

For those who want to take it to the next level, the available Platinum Appearance Package is highlighted by a Black interior with Silver accent stitching throughout. The full-Black or two-tone Black and Sepia Nappa leather-faced seats feature the embroidered Dodge Rhombus logo and are complemented by Platinum Chrome and Gunmetal accents. Outside, Platinum accents shine on the wheels, badges, door handles, mirror caps, grille and fog lamp surrounds.

CONTROLS

**UCONNECT<sup>®</sup> UUUU** Bring a wide range of communication and entertainment services along for the ride with the intuitive and customizable Uconnect multimedia centre. The various systems include a touchscreen display up to a largest-in-class 8.4 inches<sup>4</sup> and steering wheel-mounted controls that operate features like radio settings, cruise control, Bluetooth<sup>®</sup>-enabled phone, Voice Command<sup>®</sup> and more. Preformatted text responses can be sent through hands-free Bluetooth technology<sup>8</sup>, and available 3D Navigation<sup>7</sup> can be accessed through Voice Command<sup>8</sup>.

**THE CONVENIENT WAY TO CONNECT UUUU** Choose the 8.4-inch touchscreen for enhanced customization and control.

» **Drag and Drop Menu Bar.** Bring your top six features and services front and centre with this customizable feature.

» **Do Not Disturb.** Enables you to route all incoming calls to voice mail and suppress texts. You may also choose to receive a visual prompt for incoming calls and texts, as well as send an automated reply.

» **Siri<sup>®</sup> Eyes Free<sup>8</sup>** Initiate a Siri session on your compatible iPhone<sup>®</sup> with the voice recognition button on the steering wheel to give voice commands<sup>8</sup> to send text messages, play music, set reminders, place phone calls, access turn-by-turn directions and more.

## MAKE IT PERSONAL

It's class-exclusive<sup>4</sup> and standard on every Durango model: a 7-inch full-colour customizable in-cluster display centre. Steering-wheel buttons allow you to scan through different views, including audio source information, fuel economy, vehicle status and available navigation<sup>7</sup> with rich graphics.

# OFFERS 60+

STANDARD / AVAILABLE  
SAFETY & SECURITY FEATURES

REST ASSURED A HIGH DEGREE OF ADVANCED AUTOMOTIVE TECHNOLOGY GOES INTO EVERY DURANGO.

**PARKVIEW® REAR BACK-UP CAMERA®** // When the vehicle is in Reverse, the ParkView Rear Back-Up Camera is designed to assist the driver in detecting obstacles out of his/her line of sight during parking manoeuvres. When equipped with the 8.4-inch touchscreen, view-at-speed functionality is added, allowing you to monitor your rear view in any gear with the touch of a button. Great for checking on trailers.

**PARK-SENSE® REAR PARK ASSIST SYSTEM®** // When the vehicle is in Reverse, these sensors detect the presence of objects within two metres of the rear pathway and provide both an audible chime and a visual warning.

**BLIND-SPOT MONITORING (BSM) WITH REAR CROSS-PATH DETECTION®** // This technology includes dual radar sensors that constantly monitor driver blind spots, providing notification of an encroaching vehicle via illuminated icons on sideview mirrors and by an audible chime if the turn signal is activated. When the vehicle is in Reverse, rear sensors warn the driver with an audible chime if cross-traffic approaches.

**ELECTRONIC STABILITY CONTROL (ESC)<sup>10</sup>** // A standard vehicle-wide network of safety sensors provides instant aid when it detects the driver veering off the intended path. This robust system includes Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) with Brake Assist, all-speed traction control and Trailer Sway Control (TSC).

**FORWARD COLLISION WARNING (FCW) WITH ACTIVE BRAKING®** // Sensors detect when Durango may be approaching another vehicle too quickly and send an audible and visual alert to the driver, followed by 1.5 seconds of brake assistance if the driver does not react in time.

**AIR BAGS<sup>11</sup>** // Your sense of security is fully met with Durango's all-around air bag system. These seven standard air bags — full-length side-curtain, front seat-mounted side, driver's-side knee blocker and advanced multistage front — all work together to help provide protection when you need it most.

**LANE DEPARTURE WARNING (LDW) WITH LANE KEEP ASSIST®** // The vehicle's lane position is monitored by a camera mounted near the rearview mirror and, should the driver drift outside of lane boundaries and no turn signal is applied, a visual warning is given along with a slight jerk of the steering wheel. If no corrective action is taken, the system will help realign the vehicle back to the correct lane position.

**ADAPTIVE CRUISE CONTROL (ACC) WITH STOP®** // This system maintains a driver-selected distance between your vehicle and the one in front of it by automatically decreasing the preset cruise control speed when approaching another vehicle in the same lane or when another vehicle that is travelling at a slower speed pulls into your lane. The system will accelerate back to the preset speed when space permits. At low speeds, ACC can bring Durango to a controlled stop.

## DURANGO SXT

### POWERTRAIN

- 3.6L Pentastar™ Variable Valve Timing (VVT) V6 with Engine Stop/Start (ESS) technology and 8-speed automatic transmission with rotary E-shift
- All-wheel drive (AWD)

**DISCLAIMERS:** 1 Based on *WardsAuto* Mid-size Sport Utility segmentation and combined horsepower and torque ratings. 2 Based on *WardsAuto* Mid-size Sport Utility segmentation. When properly equipped. 3 Based on *WardsAuto* Middle Sport/Utility segmentation against competitor standard V6 engines. Based on combined highway/city 2017 *EnerGuide* fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. 12.7 L/100 km (22 mpg) city / 9.6 L/100 km (29 mpg) highway on Durango base models equipped with the 3.6L Pentastar VVT V6 and 8-speed automatic. 4 Based on *WardsAuto* Mid-size Sport Utility segmentation. 5 Based on IHSMarkit Automotive Canadian New Vehicle Total Registrations from CYE 2011 – 2015 and CYTD July 2016 for all Cars, Light-Duty and Medium-/Heavy-Duty Trucks. 6 This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 7 Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 8 Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone. Preset voice-to-text messaging and incoming text message reading require a MAP-enabled phone. 9 Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-approved features. 10 No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 11 The Advanced Front Air Bags in this vehicle are certified to the federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 12 Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at [siriusxm.ca](http://siriusxm.ca). 13 Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 14 Not compatible with all garage door openers. 15 Additional fees will apply for Dealer-Activated Navigation. 16 Preset voice-to-text messaging and incoming text message reading require a MAP-enabled phone.
